

# Notice of DRAFT Zoning By-law and Public Open House #3 Comprehensive Zoning By-law Project

## Available Soon! Preliminary Draft Zoning By-law

A **Preliminary Draft Zoning By-law** is being prepared based on recommendations shared with the community earlier this year. Township staff are working with Council and a Project Advisory Committee to finalize the Draft, which will be **available on the Township website on June 9th, 2017**. New General Provisions and Parking Standards are proposed, as well as a modified Zone structure and updated Zone provisions. New mapping is also being prepared to show proposed changes to Zoning in certain areas of the Township.

## Notice of Public Open House #3

The Preliminary Draft By-law and maps showing key Zoning changes will be presented at an upcoming Open House #3 on June 15, 2017. **Members of the community are encouraged to attend this Open House** to learn about proposed changes to the existing By-law and to provide input and feedback.
