

TOWNSHIP OF
PUSLINCH

EST. 1850

NOTICE
Municipal Development Standards

The Township is seeking your comments on its proposed new “Municipal Development Standards”. The Municipal Development Standards have been prepared as a reference guide to assist with land development applications within the Township.

The document provides an overview of development application processes within the Township, summarizes submission requirements and describes standards for design and construction of municipal infrastructure.

It is intended that these standards will provide consistency in the documentation received in support of development applications and in developments constructed in the Township, in order to facilitate and add efficiency to the approval process.

The Township would like to hear from you. Please submit your comments by June 14, 2019 as follows:

Karen M. Landry
7404 Wellington Road 34, Puslinch, ON N0B 2J0
email: klandry@puslinch.ca
phone no.: 519-763-1226 ext. 214

A copy of the proposed “Municipal Developments Standards” is available from the municipal Clerk at the above location. You may also view a copy by visiting the Township’s website at www.puslinch.ca.
